Prince of Peace Post 1941 Catholic War Veterans

DONATIONS always appreciated. We expect to spend \$2,500 for postage to send Easter troop care packages. We in cooperation with Blue Star Mothers ship US Postal Service APO/FPO Priority Mail Flat-Rate boxes (\$12.50 to APO/FPO addresses and \$14.50 to all other addresses). We pack as much as possible into each box to stretch our shipping dollars to the maximum. Cash donations/checks can be sent to CWV Post 1941, PO Box 95107, Albuquerque NM 89199-5107. Donations are tax deductible.

If you have family members or friends serving in the military and would like them to receive a box of goodies please supply us with their complete military address. Mailing addresses must be current. Indicate on the address, if shipment is for **MALE** or **FEMALE**. We need gender (in case we have hygiene items). We can take names/addresses for anyone in the military (unless, of course, they can't receive packages yet, e.g., if they are in Basic Training/Basic, Combat Training/Boot Camp). If more names/addresses received than we planned for, we would give preference to those stationed overseas because the ones stationed in the US have easier access to groceries, and hygiene items.

Prince of Peace Post 1941 and our parish community share their hearts with all of our nation's men and women in uniform by being faithful to make donations and help with the shipment of troop care packages. It would not be possible if not for the generosity of our parish community and with the permission and support Rev Michael Shea.
